MAKING IT UP AS ONE GOES ALONG

in Questions & Answers

<https://www.knowledgeassessmentanddissemination.com/forum/questions-answers/making-it-up-as-one-goes-along>

MAKING IT UP AS ONE GOES ALONG

Words are just words that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular raison d'être. When one is living in the freedom of satya-advaita yoga, one necessarily makes up new words as one goes along or adapt old words to meet a particular requirement of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 24 years. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed those in the 13 Books that I have written in the Series under the theme, 'The Allurement of Reality'. But I hope that now such clarifications would be necessary or me be called upon to answer. I wish to let my books do the talking. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words Samadhi and Mahasamadhi. I wish to make it clear at this point in time. For me Samadhi started on completion of my Book Truth-accommodation

(Satya-advaita) and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it is today. I had tried to consider numerous times during these years that I had had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not what there is to Realise. It had to be awaited with patience. And I formulated a plan of self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the past 15 months or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as sanatan dharma, that is to say karma in sanatan dharma.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this has not changed at the moment that I am writing this account at 10.37 am on the 12 of October 2021.

Thank you for your response.

As you ponder over whether my application for the restoration of the Account deserves a positive outcome, allow me to clarify:

I came to the United Kingdom as a 15 year old from Hindu India and today I feel that I have repaid the United Kingdom State for all the benefits that I have had from being a law-abiding citizen taking advantage of the facilities on offer and contributing to outline a better way of life: <https://www.theconservativelibertariansociety.com/blank> The Conservative Libertarian Party of the United Kingdom. It is for others to judge my work and take whatever steps they wish to take to either throw the concept of The Conservative Libertarian Society into the dustbin of history or chart a new direction for humanity.

Further, in the interests of minimising the work of the various State institutions considering this matter, I should reiterate that I will not take this complaint any further than I have already done for I do understand the sensitivities involved with a living Monarch. Stripe's decision will be final as far as I am concerned.

Yours sincerely

This is a significant issue that raises questions about the criteria used by payment processors like Stripe to support businesses. It's concerning to see an organization like The Conservative

Libertarian Publications Limited facing such challenges. It would be interesting to know more about the reasons behind the termination of support and whether there are options for reconsideration. It's crucial for businesses to have clear communication and support from their payment providers, especially in today's climate.

I did raise a complaint to Kent Police, the Financial Ombudsman, the Medway County Court (Case No: J00ME572) and now also the Central London County Court (Case Number E35YM660) as to why the Stripe's banking support was initially agreed upon and one Membership transaction did take place before it came into their restricted support category where it is functioning with donations only into the Business Account of The Conservative Libertarian Publications Limited. I will know by midday today (1 November 2024) the final decision of the Courts concerned.

Over the past 26 years, and I have banked with Barclays for over 40 years, many issues came up, that I could not understand being a very busy person so had cause to refer Barclays Bank and Barclaycard to the Financial Ombudsman for investigation. I am pleased to say that in this day and age we should not be surprised at fraudulent activities by criminals in our Bank Accounts. I am putting it all down to experience and withdraw my complaints to the FOS against Barclays and Barclaycard as not worth wasting time and resources of the State over, if you agree.

By participating in PayPal's Google Play reward offer (the "Programme"), you agree to the following terms and conditions ("Terms").

1. **Qualification Period:** The Programme starts at 12:00:00 a.m. on 12 August 2024 British Summer Time ("BST") and ends at 11.59pm Greenwich Mean Time ("GMT") on 30 November 2024 or until 30,000 (thirty thousand) rewards have been redeemed, whichever happens first (the "Offer Period").

2. **Eligibility and overview:** To be an eligible participant (an "Eligible Participant"), each participant must: (1) be eighteen (18) years of age or older; (2) be a resident in the United Kingdom; (3) have a United Kingdom personal PayPal account in good standing (a "Valid Account") during the Offer Period and Redemption Period; and (4) see an authorised paid media ad, Google Play in-app banners, PayPal landing page or receive an email to participate in the Programme (eligibility for those who receive such a link will be determined solely by PayPal) and completes the steps below. For the purposes of this paragraph, "good standing" shall mean the Eligible Participant is not in breach of the Terms and the User Agreement, and will continue to comply with the Terms and the User Agreement for the duration of the Programme. This offer is only available to Eligible Customers that have agreed to receive marketing emails from PayPal.

3. “Redemption Period”: Starts on the day an Eligible Participant receives their Reward (as defined below) from PayPal via email and ends 30 days thereafter (the “Redemption Period”).

4. How it Works: An Eligible Participant must successfully complete the following during the Offer Period to qualify for a Reward:

i. make your very first purchase on Google Play using a Valid Account, making a minimum purchase of £3.00 GBP, no later than 30 November 2024 (“Eligible Transaction”), to earn a £10.00 GBP (ten pounds) Reward (the “Reward”);

ii. click to save the offer to your Valid Account; and

iii. once received, and qualified for, the Reward will be automatically applied the next time that the Eligible Participant checks out with PayPal using their Valid Account during the Redemption Period (“Eligible Purchase”).

Use of the Reward will be reflected on the Eligible Participant’s PayPal receipt and/or in the transaction details of their Valid Account. The Reward does not constitute electronic money, is not deemed part of your PayPal balance, has no cash value and cannot be redeemed for cash, used to purchase gift cards or transferred out of the Eligible Participant’s Valid Account. The Reward is separate and different to PayPal balance. Should the total purchase amount exceed the Reward value, then you must add a payment method to your Valid Account in order to fund any remaining balance and redeem the Reward.

5. Eligible Purchases and using your Reward: Eligible Purchases do not include: (1) send/receive money transactions (including those marked as a “Goods and Services” payments); (2) charitable donations; (3) purchases made using PayPal.me; (4) PayPal Business Debit Mastercard® purchases made using the card directly and not through your Valid Account; (5) PayPal transaction fees; or (6) transactions made in any other currency beyond Great British Pounds. Rewards will be viewable in the “Offers” section of the Eligible Participant’s Valid Account. The Reward must be redeemed during the Redemption Period and may only be redeemed as described in these Terms. Use of the Reward will be reflected on the Eligible Participant’s PayPal receipt and/or in the transaction details of their Valid Account. Rewards should be available in your Valid Account within approximately three (3) days but may take up to two (2) weeks. There is a limit of one (1) reward per Valid Account. Only 30,000 (thirty thousand) Rewards are available for redemption during the Offer Period; Rewards will no longer be available or awarded once the redemption limit is reached.

6. Miscellaneous: Redemptions are final, will not be returned, and are subject to review and verification. The Reward does not constitute electronic money, is not deemed part of your PayPal balance, has no cash value and cannot be redeemed for cash, used to purchase gift cards or transferred out of the Eligible Participant’s Valid Account. The Reward is separate and different to PayPal balance. If item(s) purchased using a Reward are returned and the Redemption Period has expired, PayPal will first refund the money spent to the payment method used to complete the Eligible Purchase and purchase amount in excess of the money spent (i.e., the value of the Reward) will not be refunded. If the Redemption Period has not expired, the value of the reward will be returned to the Offers section of the Valid Account and will be available for use by the account holder for the remainder of the Redemption Period. PayPal may provide an alternate reward of equal value if it is unable for any reason to fulfil the Reward. PayPal reserves the right to cancel, suspend or modify this offer in part or in its entirety at any time without notice, for any reason in its sole discretion. Similar offers may run at the same time; qualification for this offer does not constitute qualification for any other offer. PayPal is not

responsible and/or liable for any lost, stolen, late, incomplete, illegible, interrupted, delayed, or misdirected e-mail, Reward, or offer-related materials or correspondence or if any participant's e-mail address, Valid Account, or other contact information does not work, is deleted, or is changed without participant giving prior written notice to PayPal. PayPal reserves the right to review any account or transaction related to this offer, in its sole discretion, without notice, and delay or reverse completion of the Reward. Offer is void where prohibited, if Eligible Purchases or subscription upgrades/sign-ups are not completed through legitimate channels, or if any offer-related materials are counterfeit, altered, fraudulent, defective, tampered with or irregular in any way. Participation is subject to PayPal's User Agreement. Certain offers may not be transferable. Any questions relating to the offer will be resolved in PayPal's sole discretion and its decisions related to the offer will be final and binding.

7. Governing law and jurisdiction: These Terms are governed by England and Wales law. By participating in the Programme, entrants agree to be bound by these Terms and the User Agreement. MAKING IT UP AS ONE GOES ALONG

in Questions & Answers

MAKING IT UP AS ONE GOES ALONG

Words are just words that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular raison d'être. When one is living in the freedom of satya-advaita yoga, one necessarily makes up new words as one goes along or adapt old words to meet a particular requirement of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 24 years. I am of course open to providing any clarifications needed on the basis of my actions

at any particular point in time and how I have expressed those in the 13 Books that I have written in the Series under the theme, 'The Allurement of Reality'. But I hope that now such clarifications would be necessary or me be called upon to answer. I wish to let my books do the talking. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words Samadhi and Mahasamadhi. I wish to make it clear at this point in time. For me Samadhi started on completion of my Book Truth-accommodation (Satya-advaita) and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it is today. I had tried to consider numerous times during these years that I had had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not what there is to Realise. It had to be awaited with patience. And I formulated a plan of self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the past 15 months or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as sanatana dharma, that is to say karma in sanatana dharma.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this has not changed at the moment that I am writing this account at 10.37 am on the 12 of October 2021.

Examination of the outcome of legal correspondence submitted to Central London County Court and Medway County Court as linked here:

<https://www.thelibertariandemocrats.com/forum/diary-of-the-author/1-november-2024-18-19-am-uk-time> clears the way for The Conservative Libertarian Publications Limited (TCLP Ltd) to now continue with its publications and for the political offshoot of The Conservative Libertarian Society (TCLS) The Conservative Libertarian and Republican Party of the United Kingdom (TCLRP-UK) to contest in general elections to the House of Commons and in local elections to the Councils in the United Kingdom.

TCLRP will finance itself through donations with an annual Membership of £10 or as much as applicants for membership can afford to pay, in view of the final position that resulted with reference to the banking support that TCLP Ltd was seeking from Stripe (Payments) UK.
